Rubber Pot Risers

Plant Support / Plant Stands

- Protect surfaces
- Helps provide drainage
- Ideal for indoor & outdoor use

DISPLAY POTTED PLANTS AND PROTECT SURFACES

Whites Rubber Pot Risers lift and provide drainage to your outdoor pots, preventing stains on your patio, balcony, and verandah. It also allows you to display your indoor or outdoors plants whilst preventing large heavy pots from scratching and marking surfaces.

Made of rubber and available in packs of 16 Black risers.

Code	Product Description	Size
18542	Rubber Pot Risers 16pk	25mm x 25mm x 10mm(h)

Handy Hints:

- When placing pots, ensure the load is evenly spread on the risers.
