

Cambridge Arch Plant Support / Arches

- Creates a striking garden entrance
- Supports flowering climbers & vines
- Frames your garden
- Available at Bunnings stores only

DECORATIVE GARDEN ACCENT

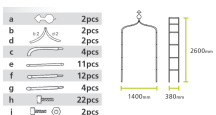

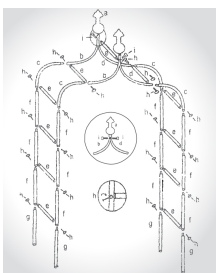

Whites Cambridge Arch creates a striking garden entrance.

Its charming design features elegant finials and commands a presence. Ideal for supporting flowering climbers and vines, and frames your garden.

Easy to assemble, black powder-coated steel with secure base.

Measures: 2600mm high, 1400mm wide & 380mm deep. See illustration and components included below:

Code	Product Description	Height	Colour
18063	Cambridge Arch	2600mm	Black

Handy Hints:

- Lay out sections on flat ground before construction
- Build on a flat surface
- We recommend the assistance of a second person to help build the arch
- Tool required: small screwdriver for tightening nuts and bolts
- Do NOT climb apparatus
