

Fencer's Tool

Hobby Farm / Tools & Accessories

- Convenient size – keep in your pocket or tool box
- Makes tying off fence wire an easy job
- Steel construction
- For use with wire up to 4.00mm diameter

HANDY SIZE, EASY TO USE

Whites Fencer's Tool is a convenient and easy to use tool for tying off wires up to 4mm in diameter. Simply thread the wire through the relevant gauge hole, twist and you have an instant tie for most fencing applications.

It fixes plain or barbed wire to steel fence posts. Easy to use, each pack includes application tool.

Code	Product Description
12005	Fencer's Tool
