- Available for special order at your local Bunnings stores

IDEAL GREENHOUSE FOR PLANTS AND VEGETABLES

Whites Portable Sun Dome creates an ideal greenhouse for plants and vegetables, at the same time protecting them against weather and pests.

Its unique dome shape captures more sunlight for better plant growth and warms up quicker than a traditional greenhouse.

Measuring 2.15m high x 2.8m dia., it has a long opening "doorway" for easy access into the dome.

It is easy to set up, features a heavy duty PVC clear cover. Components are designed for easy assembly and disassembly:

- 24 x Steel tube struts (8 x bottom frame, 8 x top frame, 8 x horizontal support)
- 1 x Steel disc (top)
- 8 x Anchor pegs
- 1 x PVC clear cover
- 1 x Carry / storage bag

For detailed instructions, click on the image in the photo gallery.

Code	Product Description	Measurement
18396	Portable Sun Dome	2.15mx2.8m

Handy Tip:

- Anchor pegs supplied are designed for use in firm ground, such as, a well-established lawn. Please consider the best way of securing your dome subjected to ground conditions.
