

StayMesh Gutter Kit

Gutter Protection / Gutter Mesh Rolls

- UV stabilised for long life
- Secures mesh in place
- Provides easy DIY installation
- Suits gutters up to 15cm wide

EASY TO INSTALL MESH GUTTER KIT

Whites StayMesh Gutter Kit is an easy to install mesh and clip system to fit gutters up to 150mm wide.

The unique StayMesh clip system is Australian Design Registered. It fixes the mesh securely, keeping your gutters leaf free. This system simplifies installation – no need for awkward bending and 'popping' mesh into place.

This 6m Kit includes a 6m roll of 160mm StayMesh and 15 StayMesh clips.

Code	Product Description	Roll Size
20011	StayMesh Gutter Kit	160mm x 6m

Handy Hints

- In locations with a high risk of bushfire, we recommend the installation of [Whites Fire Guard Gutter Guard](#) or [Whites Ember Mesh Stainless Steel Guard](#).
