THE TIMELESS CHARACTER OF NATURAL STONE

Add modern style to your outdoors with a decorative garden feature

Whites Terrazzo Garden Screen - Galaxy design offers a contemporary all-weather matt finish, which enhances most surfaces and adds that distinctive touch to your courtyard, poolside or backyard.

Featuring the look and texture of natural stone applied to a long-life galvanised steel panel, each panel is unique and durable.

Easy to mount using the in-built keyholes on the back of each panel.

Available in 2 colours: Charcoal or Sandstone.
